7.30pm Client and partner arrive at Imperial Wharf Pier and board Shaken Not Stirred to a champagne reception. Client hands ipod/phone with pre-prepared playlist to the host. The cruise is introduced as a tourist cruise and the photographer says he will take pictures throughout the cruise that they might want to pay for at the end (as a cover story). Nibbles are also on the table.

7.32pm Leave Imperial Wharf Pier travelling east towards central London past Battersea Power Station towards Lambeth Bridge/Houses of Parliament

7.55pm 2 minute warning via text message from host to the Bridge Sign team to get sign ready

7.57pm We pass under Lambeth Bridge central arch and stop by the Houses of Parliament, with the back of the boat facing the bridge. Favourite song comes on the sound system. Client asks his partner to look up at the bridge – sees the sign, which is being raised by the Sign Team. Client proposes. We wait for 2 minutes while the moment lasts, photographer has been taking pictures throughout

8.00 pm We then continue onwards past the sights of London: London Eye, Houses of Parliament, National Theatre, St. Pauls, Tower of London, HMS Belfast, Tower Bridge

8.30pm We turn round at Tower Bridge to return back to Imperial Wharf Pier
